Grogan's Installment House

For all in need of Furniture, Carpets, Bioves, and House-furnishing Goods in general, as no one need be without a well-furnished nome because they have not got the cash to spare. they have not got the cash to spare.

Three years ago we started the only (live) Installment House in the City of Washington, and during that time we have sold goods to more than 11,000 gustomers, and our knowledge of who are trustworthy, and who are not, gained by experience, coupled with our success, has been such that we are now enabled to offer extraordinary inducements to our customers and the public in general.

We are described to knock the bettem out of high prices, and will sell.
